- ✓ **2007/08 Community Provider Plan Designation Scoring Detail**
- ✓ **2007/08 Community Provider Plan Designation History**

# **HEALTHY FAMILIES PROGRAM COMMUNITY PROVIDER PLAN DESIGNATION 2007-08**

The Community Provider Plan (CPP) is the health plan participating in the Healthy Families Program offered at a \$3 discount to subscribers. There is a CPP in all 58 counties in California. A plan is designated as the CPP if it has done the best job of including traditional and safety net (T&SN) providers in its network. The CPP designation total score is derived by compiling scores from Child Health and Disability Prevention (CHDP) providers (35% of the total score), clinic providers (45% of the total score), and hospitals (20% of the total score). An audit is required in counties where there is 15.99% or less difference between the highest scores and/or a change in the winner from the prior year.

## **Community Provider Plan Designation Highlights – 2007/08**

### **1) How many CPP's changed for the new year?**

8 counties changed CPP's for the July 2007/08 benefit year:

- Colusa – Health Net - EPO (Blue Cross – EPO in 2006/07)
- Fresno – Health Net - HMO (Blue Cross - HMO in 2006/07)
- Merced – Health Plan of San Joaquin (Blue Cross – EPO in 2006/07)
- Sacramento – Blue Cross (HMO) (Health Net - HMO in 2006/07)
- Stanislaus – Health Plan of San Joaquin (Health Net – HMO in 2006/07)
- Tulare – Health Net - HMO (Blue Cross – EPO in 2006/07)
- Ventura – Ventura Health Plan (Blue Cross – EPO in 2006/07)
- Yuba – Health Net - EPO (Blue Cross – EPO in 2006/07)

### **2) How many subscribers are enrolled in plans in a county where their health plan is no longer the CPP?**

Approximately 52,194 subscribers (54% of enrollment in those counties that changed, which is < 7% of total enrollment for HFP based on December 2006 enrollment figures).

### **3) How many subscribers are enrolled in plans that will be a new CPP?**

Approximately, 14,981 (< 2%) subscribers are enrolled in plans that will be the new CPP.

#### **4) How much participation is there in the CPP process?**

- Most HFP plans participate in the process
- More than half of the HFP plans are designated as the CPP in at least one county

#### **5) Which plans have multiple CPP designations?**

Blue Cross - EPO	34 counties
Central Coast Alliance for Health	2 counties
Health Net - HMO	4 counties
Health Net Life - EPO	2 counties
Health Plan of San Joaquin	2 counties
Inland Empire Health Plan	2 counties

#### **6) How many counties required an audit?**

Twenty-four counties required audits to be offered. These were counties where two or more plans were within 15.99% of the top score in the county or the CPP changed from the prior year. Plans had the option of competing in an audit. Plans choosing not to participate in an audit relinquished the CPP designation to the competing health plan. In eight counties at least one plan opted not to participate in the audit process. Audits occurred in sixteen counties: Colusa, Fresno, Kern, Merced, Monterey, Napa, Riverside, Sacramento, San Diego, San Luis Obispo, San Mateo, Santa Cruz, Stanislaus, Tulare, Ventura, and Yuba counties.

#### **7) Which health plans participated in an audit?**

Blue Cross – EPO  
Blue Cross – HMO  
Central Coast Alliance for Health  
Community Health Group  
Health Net Life – EPO  
Health Net – HMO  
Health Plan of San Joaquin  
Health Plan of San Mateo  
Inland Empire Health Plan  
Kern Family Health  
Molina  
Santa Barbara Regional Health and  
Ventura County Health Plan
